## JOB DESCRIPTION

Are you someone that gets satisfaction from seeing the fruits of your labor transpire into joy and happiness? Do you want an experience that isn't the same-old, same-old grind? Are you able to work in a fast paced and team-oriented environment? Do you want to work with your hands and play in the dirt? If so, keep reading...

Center Greenhouse is looking for multiple candidates that are qualified individuals to work in our Shipping and Production Departments. If hired, you will play a key role in the production and distribution of our Power Flowers™, Steppables™, and Monrovia brand product lines to the Independent Garden Center, Landscaper, and Municipality trades. The candidates selected will have the opportunity to advance within the company to supervisory level roles, and/or year-round employment.

## SKILLS/REQUIREMENTS

- Reliable means of transportation to get to and from work
- Ability to read English (if that's what you call plant descriptions)
- Physical stamina to walk to and from the moon on a daily basis
- Ability to take direction
- Ability to cross train between departments (shipping and production)
- Desire to compete within the team and make the team better
- Understands what "You have to make hay while the sun shines" means
  - Translates to needing to be able to work 50-60 hours per week during the peak shipping time
- Ability to lift trays of bedding plants, hanging baskets, and gallon perennials and put them on racks.
- Ability to match several numbers and select the correct product based on those numbers
- Ability to push racks throughout the facility
- Isn't a slacker

If these are your qualifications, we have a position for you.
